This suggestion was met with favorable reaction. She also commented that she was aware of several new volunteer firefighters with Midway VFD who specifically joined because of the presence of the fire truck housed on Robinson Church Road. OLD BUSINESS            No Old Business

NEW BUSINESS            Donaldson made a **motion to consider approval of settlement agreement in Drummond vs. Robinson Township case**. Solicitor Shuckrow described the trajectory of the case, that involved challenges to provisions of the Township's zoning ordinance as to operation of Sportsmen's Clubs. The federal lawsuit filed in 2018 alleged that these zoning provisions violated Second Amendment rights. Mr. Shuckrow noted that Robinson's ordinance was upheld by the District Court on two occasions but most recently the Third Circuit Court raised issues that would mean the case would continue, potentially for some time. Through a mediation which included participation by all parties in January, a proposed settlement is up for a vote which Mr. Shuckrow is recommending be approved. A financial settlement in the amount of \$165,000 was negotiated to be paid in full by Township's insurance company, as well as concessions made thus allowing Mr. Drummond to operate as a for-profit company and broadened the type of shooting that may occur on the property. The operation will be required to meet all safety and legal standards, including a federal permit under the scrutiny of federal agencies. Mr. Drummond intends to operate with NRA standards observed. Based on these considerations, the board considers the settlement. **Seconded by Foley.**

RCV: Amodeo-Yes, Donaldson-Yes, Foley-Yes.

Donaldson made a **motion** to release insurance certificate bond of Energy Transfer Company, on Donaldson and Campbell Roads, with a value of \$88,500. Manager advised that Road Manager John Ramacker has no objections to the release, and the roads remain bonded by other entities. **Seconded by Foley.**

RCV: Amodeo-Yes, Donaldson-Yes, Foley-Yes.
